

# PERURAIL

## USER MANUAL

On the home page of the mobile app, you will find two fields.

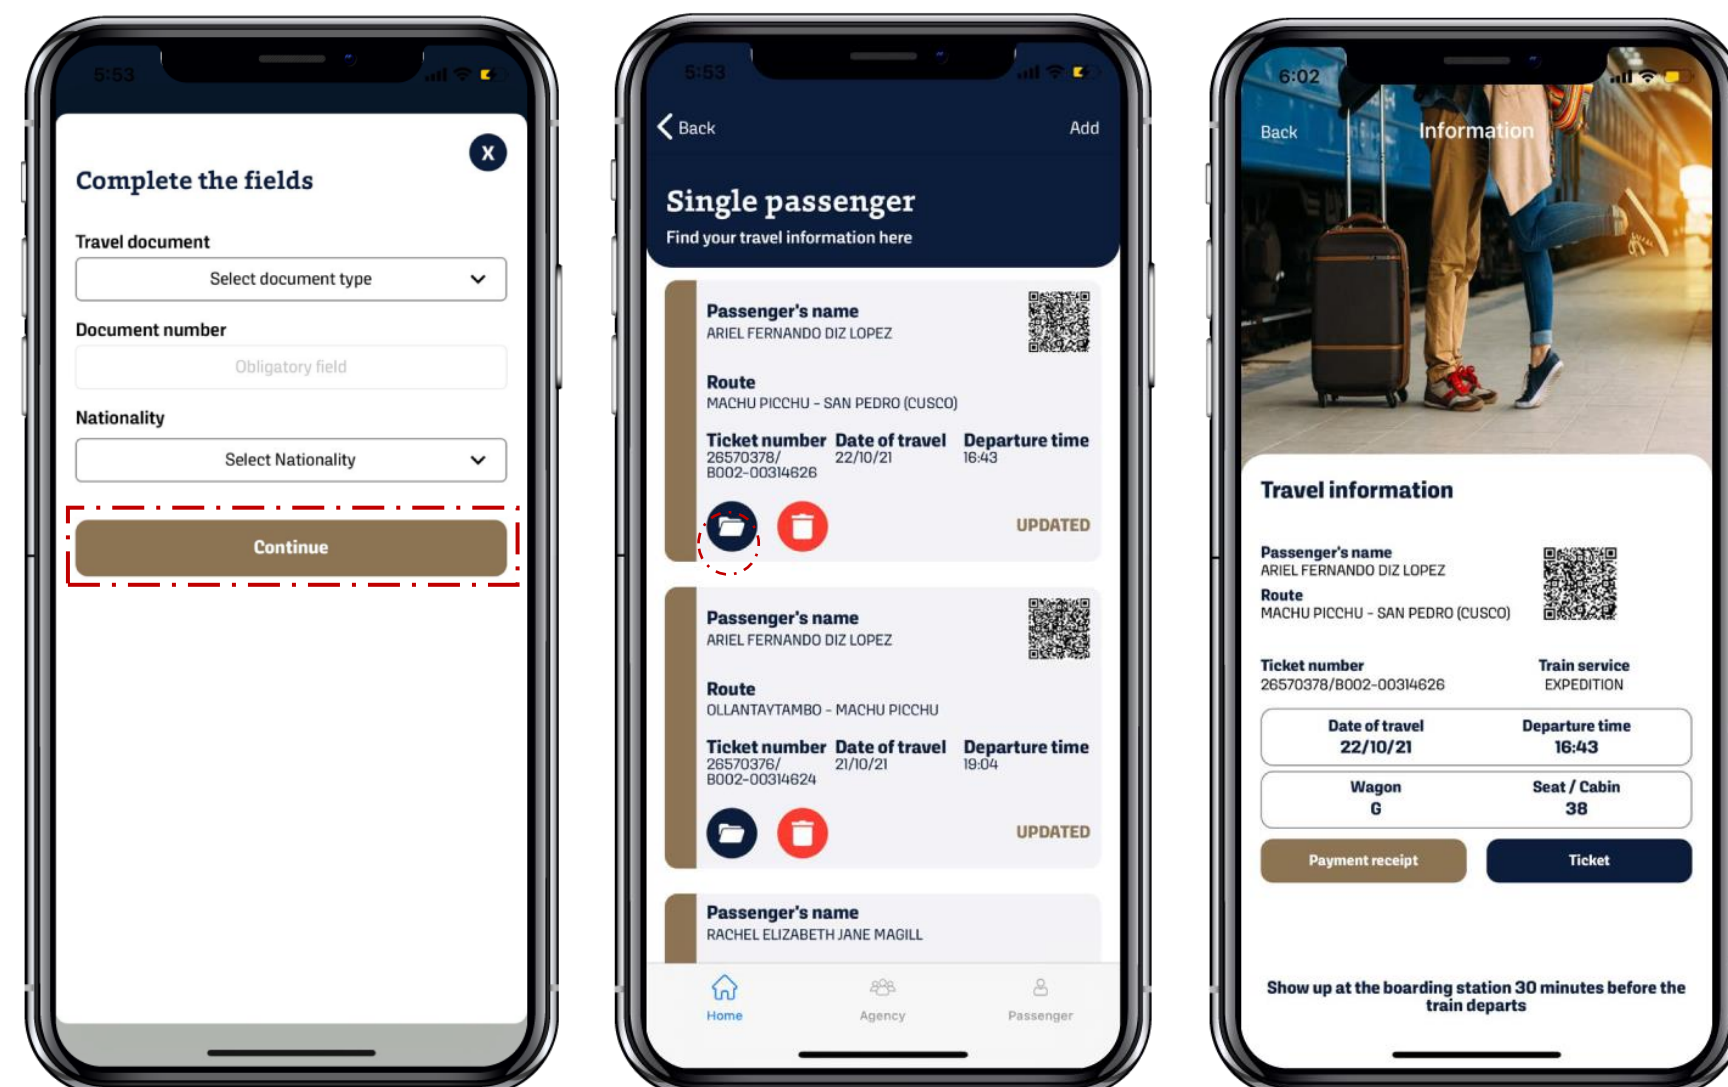

If you are traveling directly with us, select the option **Individual passenger** to check the details of your journey to board our trains faster by showing your boarding pass directly from your smartphone.

## Individual passenger:

Complete your travel information, travel document<sup>(1)</sup> and nationality to add your ticket and and check all the important details of your journey.

In each ticket, you will find two buttons for more details. In the **file** icon you will see more travel information such as seat number or train service.

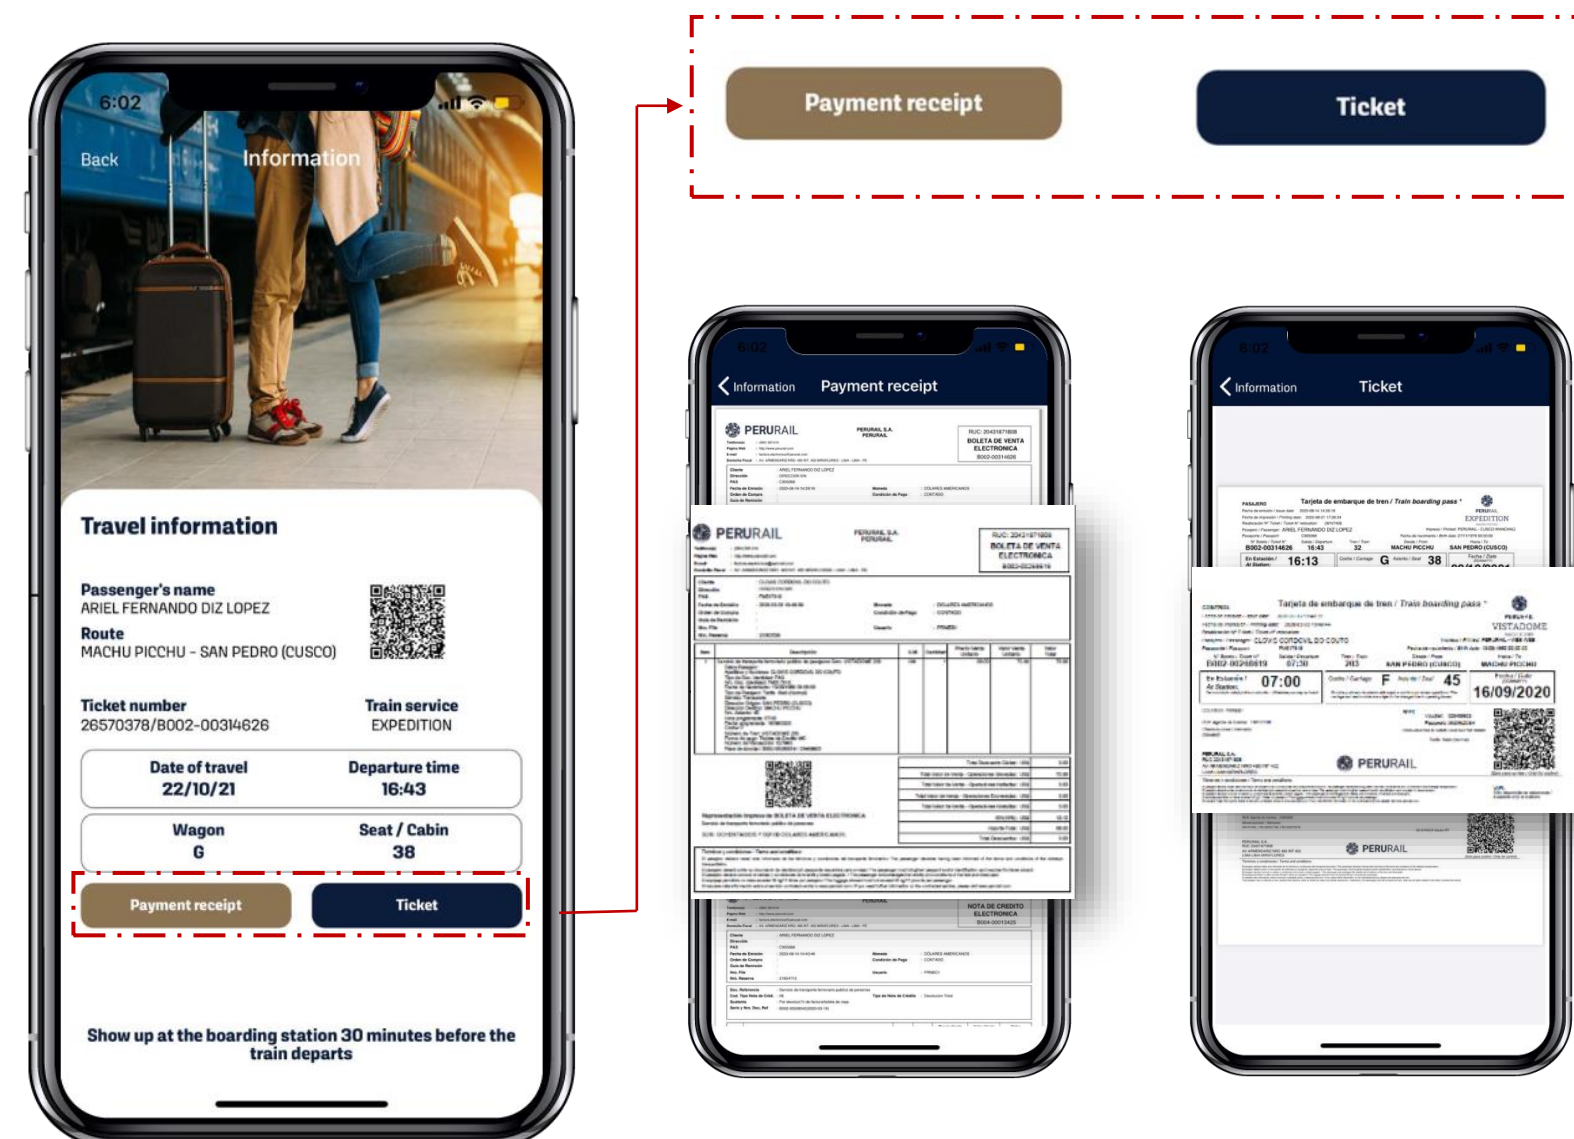

(1) Travel document: Passport or ID

## Individual passenger:

On the Travel Information section, you will find the **Payment receipt**<sup>(2)</sup>, and the **Boarding pass**<sup>(3)</sup>.

Before entering to the station, you must show your boarding pass at the entrance, which you can find in the **Ticket** section.

(2) Payment Receipt: The payment receipt is the official document.

(3) Boarding pass: show this section to board the train

## Individual passenger:

To board our trains, show directly from your smartphone the **QR code** on the "Travel information" section.
